Founder of Jendela Nusantara

Greetings and welcome to Jendela Nusantara, where innovation meets craftsmanship in the world of construction. We take immense pride in our unique approach to projects, embracing the most challenging tasks with a relentless drive for excellence. Our reputation is built on a foundation of unrivaled accuracy in design and execution, ensuring that our clients' visions become reality precisely as intended.

At Jendela Nusantara Design & Build, we have perfected the art of swift construction without compromising quality, thanks to our experienced team and cutting-edge technologies. With us, you'll discover a construction partner that not only delivers on time but also exceeds your expectations, turning your dreams into concrete, steel, and reality.

Nardi Hidayat

Director of Jendela Nusantara

Our Values

Nilai-nilai yang menjadi
landasan kami

Quality

Menjunjung standar mutu tertinggi untuk memastikan setiap hasil karya memiliki presisi, ketahanan, dan nilai jangka panjang.

People Oriented

Mengutamakan kepuasan klien dan membangun kolaborasi yang solid dengan tim sebagai fondasi keberhasilan proyek.

Safety

Menempatkan keselamatan kerja sebagai prioritas utama melalui penerapan prosedur yang disiplin dan bertanggung jawab.

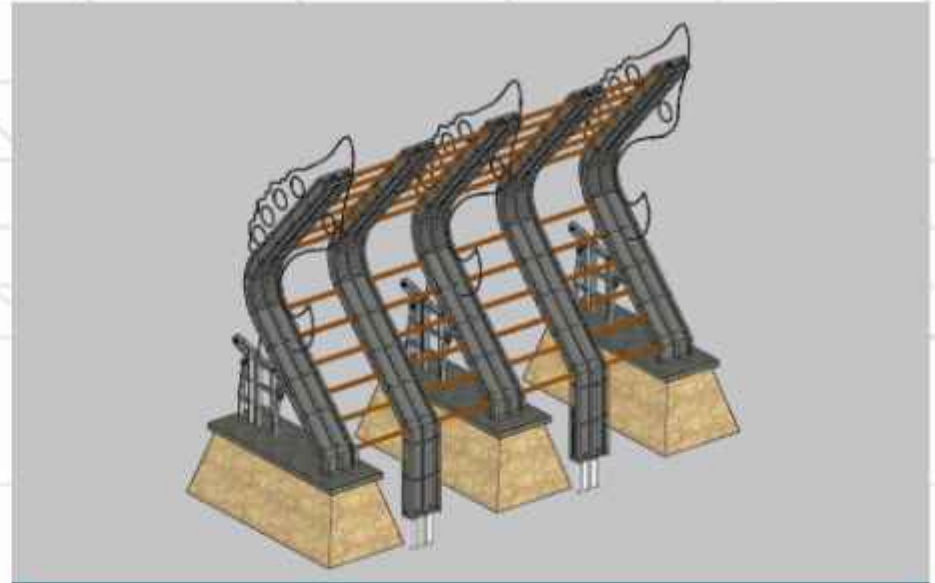

Innovation

Mendorong inovasi berkelanjutan dalam desain, material, dan metode kerja untuk menciptakan solusi konstruksi yang relevan dan kompetitif.

Our Amazing Team

Safety Practices

We are Highly concerned about our heroes where safety issues arise. We utilize modern safety tools to ensure the construction safety at its best.

- training programs
- safety records
- adherence to industry regulations

Due to limitations
we're unable to present all our projects here.

Thank you for exploring Jendela Nusantara Company Profile.

You dream it, We Build it.
